

QS Corner

TIP #43

In this month's QS Corner
it's all about YouTube!

I've spent the past 20 years educating property investors about the benefits of tax depreciation – but many legitimate deductions still go unclaimed.

And that's why I have recently launched Washington Brown's new YouTube channel.

Each month, you'll be able to view a video tackling some of the common questions we get asked at Washington Brown every day.

I'm hoping these videos are informative.

I'm hoping they're fun.

And most of all, I hope you – the investor – learn how to claim the maximum tax deduction you're entitled to.

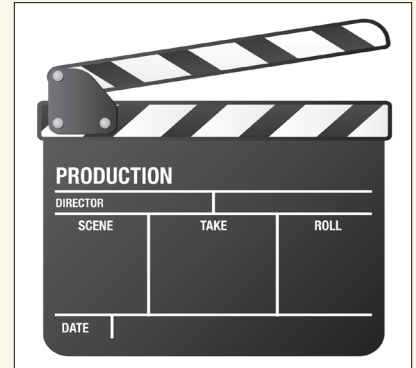

So sit back and enjoy the show. And tell us what you think.

The current videos can be viewed by visiting the following websites:

We are up to number two and if you have any topics you'd like us to cover, please let us know.
